You can read more about how to define a source in Segment's Source Overview docs.

To get started with Adikteev and Segment, you'll need an account with Adikteev.

If you don't have an account with Adikteev, contact them at contact@adikteev.com.

Track

Adikteev accepts Track events as specified by the Segment Spec.

Settings

Segment lets you change these destination settings from the Segment app without having to touch any code.

SETTING	DESCRIPTION
API Key (required)	`string` . Ask your account manager for the API key.
